## THE PINK SHEET

What to Do. Where to Go. Who to Call.

## Need a Prayer?

Visit one of our practitioners after either service or fill out a prayer request form and drop it in the *prayer request box*. You may also call a practitioner listed below in this publication and schedule an appointment. Remember, Prayer works! While prayer work on Sundays following the Service is our gift to you, practitioners provide professional services and charge for their time. Intern Practitioners and Prayer Partners do not charge a fee. Ministers providing counseling services also charge a fee for their time. No one is ever denied prayer work due to inability to pay.

Visit a prayer practitioner in the library area at University Synagogue.
