2011 Spiritual Renewal Retreat

Integrating Our Spiritual Values Into Daily Living

September 23-25, 2011

*Sometimes we need to retreat...
to be refreshed and reconnect with our true Self.*

We all have the desire to live our daily lives in the full awareness of our true spiritual nature as free beings and in a genuine experience of communion with God; to live authentic, noble lives. Yet many become disappointed in their spiritual quest for this goal thinking it's not really possible for everyday people. In fact, our daily lives provide endless possibilities for the re-discovery of what is eternally true and real in us. The intent of the retreat is to support you in renewing your spiritual enthusiasm in realizing your true Self and refreshing your understanding of how to live a life of happiness, love, fulfillment and joy.

The program includes spiritual teachings and practices from a variety of spiritual traditions, as well as experiential activities to deeply touch your heart. An environment and consciousness will be created allowing us to step out of limitation & ignorance and to wake up to a greater embodiment of our oneness with God.... returning to our lives renewed, reawakened and revitalized.

- **Facilitated by:** Dr. James Golden, master spiritual teacher and past RSI President.
- **Blessing Ceremony by:** Dr. Jim Turrell.
- **Hosted by:** CSLNM Prayer Practitioners.
- **Time:** September 23-25. Friday, 6:30 pm thru Sunday afternoon.

Mark Your Calendar

8th Annual

Sunday, September 11, 2011

It is said that "the gift is in the giving." When you give of yourself to a person or to a cause, it can be one of the most rewarding experiences of a lifetime.

For eight years the Center for Spiritual Living Newport-Mesa has opened its doors to various non-profit agencies, encouraging our spiritual family and our community to volunteer 12 hours of service to any of our featured non-profits.

This year, we are proud to be partnering with ONE OC Volunteer Center and the Angels Baseball team to further spread the message of volunteer service on a very poignant day, 9/11. A free lunch will be served to all those who volunteer.

WAKE UP, AMERICAN WOMEN!

Sunday, July 31 @ 12:45 pm

\$15.00 per person

Proceeds benefit the **Women's Journey Conference** Self-Esteem program for girls.

Since the time of our foremothers, we have traded the battle for voting rights for the battle against our bodies. Women in America have been inundated with the false beliefs that:

- We must fit a narrowly defined standard of beauty;
- The best method of validation is to marry well;
- We must remain eternally youthful or be cast aside;
- We must have treasure chests full of money to keep up with the status quo.

We have the tools to turn this situation around without surgery, drugs, chemicals or starvation. There are many non-invasive techniques available for shifting this energy. As we examine the myths and their effects, each chapter offers tools for women to embark on their personal transformation out of limiting conscious and unconscious behavior and into wholeness.

In addition, this workshop examines the qualities of the women who were successful in gaining the right to vote and demonstrates their ability to create change amidst the unpopular conventional wisdom of their time. *Wake Up, American Women* also provides a look at how women of today have broken through old paradigms to create great positive changes for themselves and our world. Their stories reflect the courage to step out of the old paralyzing familiar ways.

Together we can do this. Let's embrace our wholeness and *Wake Up* to our potential!
